

# 565 Series Automatic Whole House Water Filter

---

## Problem Water Is No Problem!

When you install a whole-house automatic water filtration system your water problems will disappear. Rid your water of troublesome iron, sediment, bad tastes, stains, color and odors.

Water the way you want it!

### Types of Filters:

**Taste & Odor** – Remove bad tastes and odors caused by chlorine & organics

**Multi-Media** – Eliminate suspended sand and silt that makes water cloudy

**Neutralizing** – Raise the pH of acidic water to neutralize corrosiveness and protect fixtures, pipes and appliances

**Birm** - Remove soluble or precipitated iron without the use of expensive or messy chemicals

**Mangnese Greensand Plus** - Iron, manganese and sulfur are oxidized into solids and trapped in the filter bed where they get flushed to the drain

*Clean, Clear  
and Odor Free*

### Features:

- ✓ Exclusive NSF Certified electronic control valve with seven year warranty features proven piston, seal and spacer technology
- ✓ User friendly LCD display with rotating information display
- ✓ Energy efficient. Uses approximately \$1.19 annually in electricity\*
- ✓ Fully adjustable cycles allow for the most efficient settings based on the specific water requirements
- ✓ Meter Immediate, Meter Delayed, Meter with Day Override, Vacation & Calendar Clock regeneration modes
- ✓ Unique precision turbine meter is incorporated in bypass valve saving over 4" of floor space
- ✓ Time saving quick connect fittings on drain line (with o-ring seal) and power cord for faster, easier installations
- ✓ NSF Certified fiberglass pressure tank with lifetime warranty
